How to Draw Fractuals with C

Matthew James Lindsay

Contents

This set of notes assume no maths higher than GCSE level and absolutely no programming experience.

1 Elementary Math

1.1 Functions

1.2 Induction

2 C and the Shell

In this course we will be using C because C is the bestest!

2.1 Hello World

Type the code in the following box into your favorite text editor

```
#include<stdio.h>

int main() {
        printf("Hello, World!");
}
```

save as hello.c
